The Blue Sapphire Ranger

Author's Note:

Hey. I'm so glad that you are all tuning in to my PRDC fan fictions. So far, I have written 6 Power Rangers fan fictions. This is my 7**th**** one. I've watched the movie Coraline before and it has given me some ideas. Also, I've been watching Steven Universe but, the blue sapphire ranger was my idea. Sapphire is a gem. Hope you enjoy this fan fic and please continue to comment and please tell me to update. Thanks **

In Coraline's worldâ€¦

Coraline Jones is just your average girl. Simple but, smart.

Coraline's life was boring. Nothing to do. No one to talk to. Life was just normal until Coraline's mother called her into the kitchen.

"What, mother?" Coraline asked.

"Can you please help me out in the garden? Those flowers really could use some picking." Coraline's mother asked.

"I don't want to help you." Coraline told her mother.

"Why don't you want to help me?" Coraline's mother asked, concerned.

"Because you don't care about me." Coraline told her mother.

"Coraline, I do care about you." Coraline's mother said, concerned for her daughter.

"No you don't." Coraline said.

"Okay. Give me an example." Coraline's mother said.

"You didn't get me those gloves that I really wanted and you keep on ignoring me." Coraline said.

"But, what does this have to do with your life?" Coraline's mother asked.

"You ignore me. You hate me. You don't love me. You don't give me what I want." Coraline said.

Then, her mother got mad.

"Soâ€¦" Her mother said.

"So, I'm going to run away and never come back to this boring world again." Coraline said.

"Okay." Coraline's mother said.

Then, Coraline packed her things and ran off at once.

While Coraline was running, she saw a vortex up ahead. It was in the colors of red, blue, pink, purple, and gold.

_I wonder where this portal leads to. _Coraline said to herself.

Then, she jumped into the portal and was transferred to another dimension.

**(Okay. So, Coraline is running away and while she's running, she saw a vortex up ahead and she jumped into it and she's now being transferred to another dimension. What will happen next? Well, you'll find out in the next chapter so, stay tuned. Please continue to comment and please continue to tell me to update. Thanks **
